Born In The U.S.A. (Bruce Springsein)

G (repeat this chord pattern throughout)

Born down in a dead man's town

The first kick I took was when I hit the ground

C

You end up like a dog that's been beat too much

'Til you spend half your life just coverin' up

(chorus)

G

Born in the U.S.A

Born in the U.S.A

C

Born in the U.S.A

Born in the U.S.A

Got in a little hometown jam

Sent me off to a foreign land

So they put a rifle in my hand

To go and kill the Y word man

(chorus)

Come back home to the refinery

Went down to see my V.A. man

Hiring man says, "Son if it was up to me"

He said, "Son, don't you understand"

I had a brother at Khe Sanh

They're still there, he's all gone

Fighting off the Viet Cong

He had a woman he loved in Saigon

I got a picture of him in her arms now

Down in the shadow of the penitentiary

I'm ten years burning down the road

Out by the gas fires of the refinery

Nowhere to run ain't got nowhere to go

Born in the U.S.A (3 times)

Born in the U.S.A (3 times)

I'm a long gone Daddy in the U.S.A. now

I'm a cool rockin' Daddy in the U.S.A. now

Yes We Can Can (Allen Toussaint)

A7

Now's the time for all good folks to get together with one another
We got to iron out our problems and iron out our quarrels and live as sisters and brothers
And try to find peace within without stepping on one another
And do respect the women of the world Remember, you all had mothers

(chorus) We got to make this land a better land than the world in which we live
And we got to help each man be a better man with the kindness that we give
I know we can make it I know that we can I know darn well, we can work it out
Oh, yes, we can, I know we can, can Yes, we can, can, why can't we? If we wanna, yes, we can, can
I know we can make it work I know that we can make it if we try
Oh, yes, we can, I know we can, can Yes, we can
great-gosh almighty yes, we can, I know we can, can

And we gotta take care of all the children	The little children of the world
'Cause they're our strongest hope for the future	The little bitty boys and girls (repeat chorus)

Zombie (Dolores O’Riordan)

Bm G D A/C#
Another head hangs lowly, child is slowly taken
Bm G D A/C#
And the violence caused such silence, who are we mistaken
Bm G
But you see it’s not me, it’s not my family
D A/C#
In your head, in your head, they are fighting
Bm G
With their tanks and their bombs and their bombs and their guns
D A/C#
in your head, in your head, they are crying

Bm G D A/C#
In your head, in your head, zombie, zombie, zombie
Bm G D A/C#
What’s in your head, in your head, zombie, zombie, zombie

Bm G D A/C#
Another mother’s breaking heart is taking over
Bm G D A/C#
When the violence causes silence, we must be mistaken
Bm G
It’s the same old theme since 1916
D A/C#
In your head, in your head, they’re still fighting
Bm G
With their tanks and their bombs and their bombs and their guns
D A/C#
In your head, in your head, they’re dying

Bm G D A/C#
In your head, in your head, zombie, zombie, zombie
Bm G D A/C#
What’s in your head, in your head, zombie, zombie, zombie
